

IQVIA Medical Solutions: Medical Content Development

Introducing newly optimized ways of high scientific HCP engagement for pharma

In today's dynamic environment, **optimized healthcare professional (HCP) engagement is a critical success factor** for the pharmaceutical sector. There has been a gradual shift towards high scientific activities as **HCPs are seeking authentic, unbiased and trustworthy information** and delivery via Medical teams.

IQVIA brings enhanced medical solutions that provide **value-based HCP engagement with curated content development services** for Medical Affairs. We partner with and enable pharma organizations to optimize engagement throughout the product lifecycle and build a strong foundation for long-term HCP relationships with the following key offerings:

<p>MEDICAL SCIENCE LIAISONS</p> <ul style="list-style-type: none"> • Field medical affairs • Scientific engagement • KOL relationships • Insight generation 	<p>MEDICAL CONTENT DEVELOPMENT</p> <ul style="list-style-type: none"> • Scientific write-ups • Manuscript • Digital content • Promotional material 	<p>VIRTUAL ADVISORY BOARD</p> <ul style="list-style-type: none"> • KOL contracting • Slide deck preparation • Logistic arrangements • Post-event summary 	<p>MEDICAL TRAININGS</p> <ul style="list-style-type: none"> • HCP training • MSL training • MA training • Tailored to requirements
