

Digital Site Suite

Improve site and sponsor relationships for more efficient clinical trials

Become a sponsor of choice and secure high-performing sites for all your studies. Run more efficient, effective trials that start-up and close out faster. Pay investigative sites within 30 days and manage trial master files from planning through archive. The Digital Site Suite is part of IQVIA Technologies Orchestrated Clinical Trials (OCT), the end-to-end, patient-centric platform that provides an unparalleled data infrastructure, seamless connectivity, and intuitive design **to drive smarter, faster trials.**

YOUR CHALLENGES

“One and done” sites because of administrative burdens

Making payments in a timely and cost-effective manner

Inefficient study start-up and activation

Managing a high volume of documentation

Unhappy sites that need more time for patients

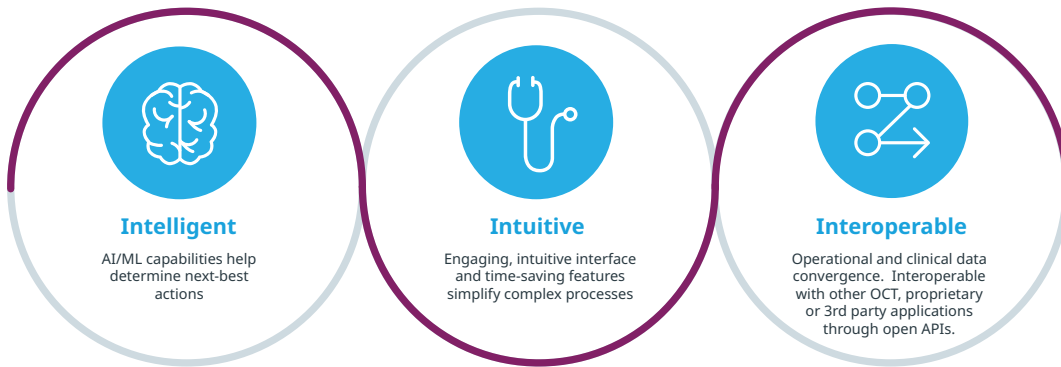

OUR SOLUTION

Digital Site Suite empowers clinical trial teams with tools that make studies run more smoothly and rapidly. The suite comprises three applications that work well individually but are even more powerful when used together.

IQVIA CLINICAL TRIAL PAYMENTS	IQVIA INVESTIGATOR SITE PORTAL	IQVIA eTMF
<p>Tech-enabled service offering that:</p> <ul style="list-style-type: none"> • Takes away the burden of making payments • Pays investigative sites within 30 days • Provides 24/7 access to complete payment information • Eliminates duplicative work across functions and regions 	<p>Cloud-based communication and collaboration hub to:</p> <ul style="list-style-type: none"> • Start-up new studies and activate sites • Manage training • Share news and exchange documents • Distribute and acknowledge safety notifications 	<p>Cloud-based clinical content management solution that:</p> <ul style="list-style-type: none"> • Keeps you audit-ready • Manages document upload and Quality Control • Improves workflow efficiency • Promotes collaboration • Helps sites meet compliance requirements

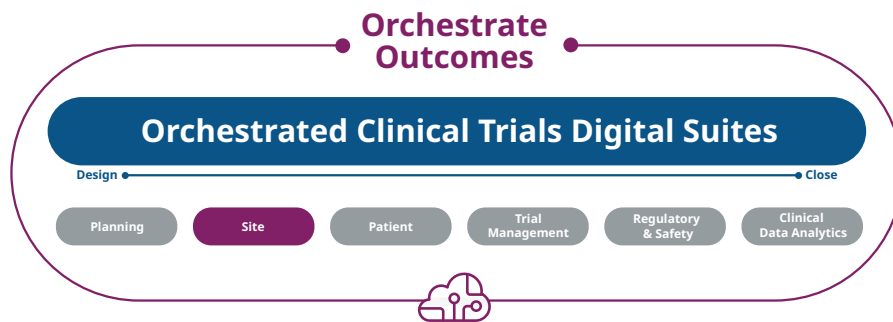

Gain Insights and Improve Performance and Compliance

-  Spend more time focusing on patients
-  Improve sponsor/site collaboration
-  Reduce administrative burden on investigators and sites
-  Speed-up site activation and study start-up with automation
-  Pay sites accurately and reliably within 30 days
-  Handle site payments and global reporting consistently and cost-efficiently
-  Be confident that all required documents are present in the Trial Master File

Discover how IQVIA Technologies Digital Site Suite can help optimize clinical trials with cloud technologies. Visit [IQVIA.com/OCT](https://iqvia.com/OCT) to learn more.

The Digital Site Suite is part of IQVIA Technologies Orchestrated Clinical Trials (OCT). All applications within OCT can stand alone, but provide more impact when used in an orchestrated manner.
